You need frequent updates. We regularly release plugin updates. Waves plugins hacked Mac. Yikes. You want good, stable plugins, not wobbly cracks. You want regular updates, not random downloads. You want really good plugins, not ones that don't fit because they don't have support. You only need to have plugins that you really like, not plugins that you need. Since the first launch of the plugin, we have been working hard to make it the best it can be. But there will always be something even better in the future. And we are sure you have many more ideas we have.
