
Neon Space Best Crack ##BEST##

December 30, 2018 - Your goal is to free the galaxy from the brutal dictatorship of the terrifying invaders, the Slans. Our brave soldier is the best pilot in the galaxy (... just look at his face!). But everything is not so simple. You must carefully plan your actions to get to the most difficult places. In each mission, you must collect a certain number of stars (they are located in different places on the map) and destroy the enemy ship. Do not forget about weapons and useful bonuses that will help you complete the task faster. You will need to complete many missions to win this war. You must be brave and smart.
