To unite the fragmented homelands, you must shatter the law of the Elden Ring that bans contact with the outside world, by using a trump card. • A New Style of RPG Despite the simplistic mechanics of the story, the delicate management system enhances the sense of recognition while absorbing new elements of RPG gameplay. • A Tale Full of Unity Saving the world from the true nature of the various races through your actions was an exciting experience. • A Multiplayer That Cannot Be Hidden In addition to the single-player story, the game also features a unique online element. Because the game allows to you to easily connect with others as you travel, the time you spend together becomes the most cherished time. • Carefully Designed Maps There are many unexplored areas. Leveling up your equipment was an exciting experience. The difficulty of the enemies and the management of equipment have been so expertly designed that you can achieve a sense of

accomplishment from the content. • A Great Soundtrack You will be transported to a golden world on the background of a beautiful and powerful soundtrack. The Bad • A Simple Comedy at Its Best Even though the game does an excellent job of providing a compelling story, there were times where the comedy came out too much. • An Old Game in a New Game The system of equipment management has been simplified, but the burden of equipment management is massive and demands a great deal of skill. • A Flawed Difficulty Even though the difficulty of the enemies was increased in the later half of the game, the final fight with the Stone Dragon in particular was too easy. • A Little Time Wasting The maps, battles, and long waits are so well designed that the game will take you hundreds of hours in the same location, but be warned that it will not be an easy trip. Novice DUNGEON 100: Novice Dungeon 100 1. The Master's Dungeon Newly formed Nyashan, which had been desolate and was only recently inhabited by a solitary Elder, resolves to explore the Lands Between. As the dungeon information file was not recovered in the last attack, the Elder is trapped in the dungeon, and a hardened Elder appears in the middle of the dungeon. Players can wander around the dungeon of first-hand knowledge to defeat the Elder and save the Elder. 2. Dungeon Full of Danger The dungeon is dangerous, so the Elder is trapped in a dungeon full of monsters. Players are required to work together to defeat the monsters and complete a quest of first-hand information. By interacting with the monsters, players can learn dungeon information, and it is possible to understand how the monsters react and change in the process. There are several types of dungeons. Newly formed Nyashan has a new dungeon, but this is not suitable for beginners to immediately defeat the monsters. However, if you can defeat the monsters and explore the dungeon to collect monsters and fragments, you will receive high-level experience. 3. Unbelievable Dungeon Nyashan is a large dungeon, and there are many monsters. If players are unable to defeat the monsters one by one, the players can defeat large groups of monsters using various special items, such as the Kyurem, Using the Kyurem's power, players can vanquish many monsters. Players can obtain more monsters and fragments by entering the battles. 4. The Dungeon Where the World is at War A mysterious enemy is attacking. Overpowering the enemy at the end of the Dungeon of First-hand Information, players can send the Elder to the World of Water or the World of Earth. In the World of Water and Earth, a large number of monsters are constantly appearing, and there are also new dungeons. Players can send monsters to the Dungeon of First-hand Information. 5. The Dungeon Where the World is at War 2 A mysterious enemy is attacking. Overpowering the enemy at the end of the Dungeon of First-hand Information, players can send the Elder to the World of Water or the World of Earth. In the World of Water and Earth, a large number of monsters are constantly appearing, and there are also new dungeons. Players
