"When it comes to storytelling, there's a reason why the medium is such an art form. With new software tool that let's the PlayStation 4 push out high-definition video to the world, we now have the ability to tell stories in ways we've never experienced before in the video game space. This opens up the world to unique stories from creators across the world who can now tell their story in ways we've never seen before. Dusk Tales, the latest game from Autonomous Rights, is an interactive adventure game in which players journey through beautiful, hand-drawn illustrations to save the world." *"Players can trace the story through an interactive comic book"* *"Dusk Tales Myth: Ragnarok is a fantasy action RPG for PlayStation 4 that seeks to remind players of games like Final Fantasy or Dragon Quest but with a retro look and feel. "* *"Overall: Dusk Tales Tales Of Grace has the visual style of a classic JRPG, with a cute cast of characters, varied towns, and addictive gameplay. It's very Pokémon Go for mature gamers, even if it's freemium, and its collection-based gameplay, like World of Warcraft, is a great way to enjoy the visually stunning graphics. If you're a fan of fantasy or older RPGs, Dusk Tales Tales Of Grace may be worth your time and money."* *"Just as the original Dusk Tales required a walkthrough, bff6bb2d33*

I just posted a recipe for the first game-day dish, a spicy chili cheese dip. I don't think I was really that excited to kick off our football season. Honestly, I've got some pretty bad things going on at home, so I wasn't that motivated to do anything. But then I was doing research for the chili cheese dip recipe, and I came across this quote: If you play football, you'll be able to kiss the boys on the cheerleaders' arms, or you'll be able to get your own cheerleader, or you'll find out if the boy next door is maybe looking for a little nookie... And that quote got me motivated. Football is my sport and one of the first things I look for when I go to a new school is who's on the cheerleading squad, and how enthusiastic those cheerleaders are about football and about our team, and about boys in general. After that, well, I watch to see how big the team is, and how enthusiastic they are, and whether I'll fit in or not. :) We played our first game on Saturday, but before we played, some of the parents and I did a "Welcome Weekend" run through Chicago. This is the Roscoe's Run-- I wanted to see what the price was for hot dogs, so we just walked a few blocks from the hotel and looked at a few stands and the price ranged from $2 to $6 for 6 or 7 hot dogs.
