FIFA is the world's biggest sports video game franchise, and EA SPORTS FIFA is the official FIFA game, developed by EA Canada. FIFA? FIFA stands for "For Inspiration and Guidance for Action." The FIFA universe includes more than 200 official teams. The FIFA 22 Universe? FIFA 22 is a real-life football (soccer) video game developed by EA Canada. What makes FIFA special? FIFA is still the best game in the business, thanks to a combination of new features that make the experience more realistic than ever, new ways to play, a beautiful new interface, and the best gameplay technology on the market. What are the highlights of FIFA 22? FIFA 22 combines the innovation and playability of FIFA 17, with the all-new gameplay features and a whole host of fresh new additions to make FIFA 22 the most authentic and complete FIFA game ever. New in FIFA 22: The first in-game manual ever - a complete guide to how and when to play every position in the game. The Story Engine - an all-new way for you to experience the story of your favourite teams and players with real, immersive emotions and dramatic actions. A bigger variety of FreeKick types - more than 60 FREEKICK moves and animations. The New Skill Move Camera - the camera becomes a part of the game, and enables the player to see exactly where they'll be shooting the ball when they press a button. New FreeKick Intelligence - the new FreeKick Offering system* allows you to select and choose exactly how to attack the goal. We've made it easier and more intuitive. New Clinical Switches - similar to the Foul Switches on the back of a referee's whistle. Team & Club rivalries: The new Pass & Run system lets you play the match like a team-mate, where you can pass and run into your teammates to create space. The Ultimate Team - experience a one-of-a-kind ultimate fantasy team experience like never before. Each week, you can try new and unique Ultimate Team players to build a team with unlimited potential. More tailored tournaments - you'll compete in a world-class tournament experience tailored just for you and your friends. Test your skills and save up for the ultimate prize by competing in different seasons and cups. FIFA 22 is powered by the new FIFA Ultimate bc9d6d6daa

Build the ultimate team from over 300 of the world's best football players in the new FIFA Ultimate Team mode. Purchase new players and use the unique skills of each member of your team to overcome any challenge in front of you. Play a full season of matches and build your team to compete for the number one spot in the global rankings. Ultimate Team is more expansive, deeper, and strategic than ever before - starting with the addition of the Draft and Auction feature. From the Draft, you can now customize your new squad by selecting any eligible player in the draft order. Once the drafted players have been selected, you can then bid on them in a unique auction style format to build the strongest possible team. CLUB OPPONENTS There's over 500 Club Partners in FIFA 22. Featured Club Partners in FIFA 22 • Everton (GB) • Newell's Old Boys (Argentina) • PSV Eindhoven (Netherlands) Global Features FIFA 22 for the first time offers GPS powered real-world environments in career mode and ULTIMATE TEAM mode as well as the option to watch a live soccer game at the click of a button, anytime, anywhere. It features a brand new set of authentic stadiums and clubs, more realistic digital crowds, improved physics, more player and equipment interaction, and an improved referee system. This year's FIFA Ultimate Team Mode will see the introduction of Draft and Auction. With this new tool you'll be able to select players from the Draft, then you can bid on those players. You can also decide how much you are willing to spend on a player, and be able to buy or sell them at the end of the auction. This year's FIFA will introduce the all-new Pro Player 3.0 debuting at the FIFA Ballon d'Or ceremony. This year's game will also mark the biggest update to the FIFA Manager since we saw the release of FIFA Manager 2006 in 2006. This year's update will bring new managers, clubs, and teams, as well as a number of new skills, celebrations, kits, and much more. Commenting on FIFA 22, FIFA Chief Executive Officer, Jim Smith, said, "FIFA is the world's biggest football game and we're excited to announce FIFA 22. It will be our biggest, most ambitious title yet
